Educator's Reference Complete

A comprehensive resource for teachers and aspiring educators

Teachers, administrators and undergraduate or graduate students in the field of education will appreciate the focused, detailed resources available in *Educator's Reference Complete*. This comprehensive resource covers multiple levels of education from preschool to college and includes virtually every educational specialty, such as bilingual studies, health, technology and testing. The resource also includes information on issues related to administration, funding and policy in education.

Educator's Reference Complete is a one-stop resource for educators and education students, providing relevant and timely information for studies as well as detailed, comprehensive data for those already working in the field.

Available on the state-of-the-art *Gale PowerSearch* platform, *Educator's Reference Complete* is an important tool for today's educators, providing instant access to more than 1,100 periodicals that cover a wide range of subjects as well as 200 reports from the United States Department of Education. In addition, *Educator's Reference Complete* is the perfect complement to libraries that subscribe to the ERIC bibliographic index, providing full-text results for nearly half of the titles cited in ERIC.

The top screenshot shows the homepage of Educator's Reference Complete. It features a navigation bar with options like 'BASIC SEARCH', 'SUBJECT GUIDE SEARCH', 'PUBLICATION SEARCH', and 'ADVANCED SEARCH'. A search bar contains the word 'students'. Below the search bar, there are sections for 'Popular Articles' (listing ADHD and Classroom Management) and 'What is Educator's Reference Complete?' which describes the resource as a selection of academic journals, reports, and reference sources.

The bottom screenshot shows search results for 'students'. It displays 38086 results. The first result is an article titled '1. 2% more clear CBSE this yr.' from CNA (Daily News & Analysis), dated May 24, 2011. The second result is '2. BMC starts polio programme: The civic body has roped in students to help with the door-to-door campaign.' from CNA (Daily News & Analysis), dated May 24, 2011. The third result is '3. Bringing out-of-school kids back to classrooms: The programme, which began in April 2011, will be held for another two months.' from CNA (Daily News & Analysis). The interface includes filters for 'Content Types' (Magazines, Academic Journals, Books, News, Images, Videos, Audios) and 'Limit Search by' (Book Reviews, Universities, Students, College Students, Teachers).

▲ The homepage offers a variety of search options, including a quick basic search. Researchers can easily narrow their results by using limiters for more targeted searching.

▲ Results provide full-text articles from thousands of periodicals and reports on a wide range of topics in education and administration. Results may be viewed by Subject, Document Type or Publication Title.
